RESPONSE TO NON-COMPLIANT

Sir:

This is in response to the United States Patent and Trademark Office Communication mailed February 13, 2008, which response is being made on or before March 13, 2008, and for which no extension of time fee is due.

In the communication, the Examiner stated that the Response filed on October 31, 2007 is not fully responsive to the Office Action because the applicant has made no attempt to point out how the pending claims are patentable over the prior art.

Applicant hereby repeats the remarks made in the response, and adds, *in italics*, further explanations regarding the patentability of the pending claims over the prior art.
